To Whom It May Concern:

It is with great pleasure I write this reference of support for:

Liz McKenzie - Project Manager

LM Consulting

P O Box 4077 | Kamo | Whangarei | 0141

E: liz@lmconsulting.co.nz | W: www.lmconsulting.co.nz

I first met Liz four years ago but had been hearing of her sterling work for a year, prior to seeking out her services.

When a school looks for a Property Project Manager ultimately they are looking for a partnership and someone who will meet the schools needs and vision. Yet has robust structures and practices, to ensure targets are met.

With LM Consulting we are secure in knowing: communication is strong and transparent; integrity and honesty are foremost; common understanding is paramount; explanations are evidenced for clarity; legalities are observed; level of expected practice is monitored and timeframes are adhered too.

LM Consulting operates a team practice and whichever personnel you deal with, you are very much treated as a priority and a person. Liz's team ensures you are getting what you asked for along with other potentials that their trained eye see as possible. If there is a problem there is always a solution.

All correspondence and communication with the Ministry of Education is managed allowing ease for the Principal and the School Board of Trustees. It is obvious the extensive knowledge and project experiences foster the success that is delivered.

A lot of great work is accomplished working with competent practitioners and that is how we find, LM Consulting.

I welcome further contact.
